To whom it may concern,

I am writing on behalf of Mrs. Daria Dillard-Stone, I have known Mrs. Stone going on three years and she has been a tremendous mentor and friend. I have had the pleasure of working with Daria assisting her on various projects and programs—she is an exceptional motivational speaker and dynamic business woman. Her work and compassion for seeing parents with the knowledge of educating their children is remarkable.

Daria has a strong commitment and passion for helping others and no matter what she does or where she goes she leaves a legacy that inspires other to move beyond where they are and achieve greatness. As a business woman she knows her stuff and what she doesn't know she is not above asking for assistance.

Daria carries a professional demeanor where ever she goes; her philosophy is “Because I care – I share” and that is what she does. I truly believe that whatever path Ms. Stone chooses in life she will be successful and be an asset to any company or organization.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Donna Parrish
